

## 2024 Stationery

Due to the many continued changes in production lines, manufacturing industries and transport of goods, you will note some changes to the way in which stationery is to be ordered through TOSCO. In discussion with TOSCO, the below outlined changes have been managed to try and increase guaranteed stock supply through early ordering, assist in reducing costs due to scheduled ordering quantities and to reduce parent requirement to go out into the community to locate resources or pick up stationary boxes. **Please note, all orders this year are online only.**

TOSCO has a 'Full Stationery Pack' which if you order through TOSCO, will be packed for your child, and delivered to your nominated address for a minimal charge. This will be identified on their website where you can see the itemised outline and the cost of the 'Full Stationery Pack'. You will not be able to remove items as it comes as a bulk order. This has assisted us to secure the stock early for your children and to try and reduce the cost at a time when some items are scarce, and costs are reflective.

Listed on your stationery order are also a range of 'optional' items. These items should come home with your child so that you can determine their condition or to check that they have the item (unless your child's 2023 teacher has indicated they have retained the item/s for you and have passed it onto the 2024 teacher). From here, if you wish to replace the item or require a new one, it is requested that you purchase this separately. Some of these items may be able to be purchased through TOSCO depending on stock availability. You may also source these elsewhere if you wish.

To support the delivery and placement of your order, please note the following:

- Online ordering only – in-store pick up is not available
- Home delivery – reduced fee of \$7.00 per pack for St Michael's families
- Deliveries will start in December
- Booklist ordering will close 8<sup>th</sup> January 2024

**NO orders after 8th January will be accepted through TOSCO**
